RE: U.S. Domestic and North America Fuel and Security Surcharge

To Our Valued Customers:

Inter Xpress Tracking Services fuel surcharges are now separated into two categories. Our fuel surcharges are for Domestic Air and Domestic Ground shipments and are subject to weekly adjustments.

The U.S. Domestic Ground Fuel Surcharge is based on the EIA/DOE U.S. average cost of Diesel fuel.

The U.S. Domestic Air Fuel Surcharge is based on the U.S. air carriers who follow the daily U.S. jet fuel spot prices.

INTER XPRESS TRACKING SERVICES also has a security surcharge which applies to all shipments which are flown.

Our Surcharges can be obtained by contacting your INTER XPRESS TRACKING SERVICES account representative or office.

We appreciate your business and continued support and are committed to providing you the best value in the market through service excellence and competitive pricing.

Regards,

Inter Xpress Tracking Services, Inc.
